

## FROM THE MAYOR'S DESK

WE RECENTLY RECEIVED BAD NEWS. THE STATE TRANSPORTATION COMMISSION VOTED UNANIMOUSLY TO DELAY THE FUNDING FOR THE WIDENING PROJECT ON SR 73. THAT FUNDING DELAY IS EXPECTED TO BE UNTIL 2015.

The city council and I need your help. We need you to contact our state legislators, UDOT and the state transportation commission and tell them that this is unacceptable. We need this road yesterday. The number of accidents we have had over the last two weeks is absolutely unbelievable.

I do understand that Pioneer Crossing and 2100 North are currently being built and that UDOT did complete the Redwood Rd. project. However, they have yet to bring a road all the way to Eagle Mountain. We have a larger population than Saratoga Springs and we are still growing. WE NEED THIS ROAD!

Please send emails, make phone calls, get the attention of your representation. I ask for your help. Following is contact information for our state legislators, the transportation commissioners and UDOT.

Dr. Bart Gardiner cut the ribbon at the grand opening event for the Family First Business Park. The new office building is now the home of Family First Dentistry and Spa and Fusions Hair Studio. He was joined by Mayor Jackson, Diane Bradshaw of the Lehi Area Chamber of Commerce, family, and staff.

## SUMMER ROAD PROJECTS

UDOT will be making more improvements on SR-68. The work will begin in June and last through the summer.

From 400 South to Grandview Blvd, SR-68 will be widened from 2 lanes to 3 lanes, adding a center turn lane and widening the shoulders.

From Lakeview Terrace to Grandview, a new drainage system will be installed to help with ponding that occurs in that area.

From Grandview to mile marker 23.3 (the materials pit) the road will be rehabilitated. This work will remove the different slopes at the various housing development entrances. There will be no widening on this portion of the project.

If you have any questions regarding this work please call the project hotline number 1-888-914-5454 or email [sr68@utah.gov](mailto:sr68@utah.gov)

### Other work taking place this summer:

More information for these projects will be distributed as it becomes available.

A new signal will be constructed at SR-68 and Pony Express Drive. The signal is planned for construction closely after the completion of Pony Express Drive.

A new signal will be constructed at SR-73 and West Commerce Drive.

## SHERIFF'S ITEMS

- ◆ Because of temporary road closures, SR-73 has been more congested than usual. Please slow down and pay more attention, especially coming up to and away from the stop light at Ranches Parkway. Coming into the city, start slowing at the gravel pit. Going out, slow traffic starts well before the light and remains slow on SR-73. Accidents can be avoided by being more patient and cautious.
- ◆ Please keep children seat-belted and in car seats, if needed, at all times. Short distances are no excuse when it comes to the safety of our children. Most accidents happen close to home. Also remember, children should not ride in the front seat if you have front passenger side air-bags.
- ◆ If you are interested in taking part in keeping your neighborhood safe, now is the time to get involved. If you'd like more information about Neighborhood Watch, or if you'd like to volunteer, call the Public Safety Office at 789-6701.
- ◆ As always, if you see something suspicious, call non emergency dispatch (801-851-4100). Many crimes could be prevented by people paying attention and reporting their suspicions.
- ◆ Pay special attention to crosswalks during school hours. Reduce your speed substantially and watch for children and crossing guards. Paying extra attention can prevent an accident or injury.
