

## FROM THE MAYOR'S DESK

THERE HAS BEEN A CHANGE IN THE CITY'S WATERING ORDINANCE. THE COUNCIL VOTED TO REPEAL PART OF OUR WATERING ORDINANCE ON MAY 4.

Previously, there were assigned days of the week for watering your lawn, according to your address. Now there are no longer specific days assigned for watering, although the ordinance still specifies no watering is allowed between 10 AM and 6 PM. We encourage you to use good water conservation techniques -one of which is to water every three days.

The council also implemented a new tiered water rate schedule. This is intended to help with conservation. There were many challenges with this process as conservation on a ¼ acre lot is different than conservation on a 1 acre lot. See the following table: We are offering both a small lot tier and a large lot tier. Your property must be ½ acre or larger to qualify for the large lot rate. Each home will be placed in the small lot tier to begin with. You will need to fill out an application for the large lot tier. The application will be online as well as in the utility office. We will verify your lot size and then place you on the large lot rate. We will not be charging any additional fees for this change and you can apply at any time. We will not however, make this retroactive. It will apply as soon as we receive your application. The new water rates will be implemented as of July 1.

A joint city council meeting with Saratoga Springs was held on May 18. Items discussed included a proposal for a Westlake fire district, to include Eagle Mountain, Saratoga Springs, Cedar Fort, Fairfield, and Goshen.

Small Lots Usage	Large Lots Usage (1,000 gallons)	Rate (per 1,000 gallons)
Up to 65 kgal	Up to 120 kgal	\$0.80
65-115 kgal	120-170 kgal	\$0.85
115-165 kgal	170-230 kgal	\$0.90
Over 165 kgal	Over 230 kgal	\$0.95

With our baseball season underway, I'd like to thank all of the coaches and volunteers that help with our sports programs. We had over 1,000 youth playing soccer and 800 playing baseball this year, in addition to basketball. These programs are fantastic. We could not do these programs without our citizen volunteers as coaches and team parents. Please take time to thank your coaches for all they do.

See Mayor's Desk, pg. 2

Finally, I am asking for your support to help raise funds for several people in need. All of them are fighting cancer. I am participating in the Pony Express Days PRCA Rodeo by barrel racing. If I can finish in less than 25 seconds, anyone who pledges a donation will have to pay up!

I will be riding Friday, May 28, Saturday, May 29 and Monday, May 31. You can donate online at the city website (on the rodeo page) or in person at the rodeo. Friday night, we will announce the recipients of the Pony Express Days Community Hero award.

On Saturday night I will be riding for my cousin, Amy Reed Jackson who is 36 and was diagnosed April 15 with stage IV astenoid cystic carcinoma and given four months to live. She has six children and she and her husband are self employed and do not have health insurance. She lives in Santaquin and has been involved with helping our Pony Express Days celebration for years.

I will also be riding for Jim Hughes, who is a longtime resident of the City Center, and member of the Stake Presidency of the LDS Eagle Mountain West Stake. He was recently diagnosed with brain cancer and underwent surgery on April 19. He has a wife and three children and they also do not have health insurance. Please make a donation if you are able to.

Pony Express Days has something for everyone. We have made an effort to offer several free events and keep the paid events affordable. Come on out and join us!

Mayor Heather Jackson
