SHERIFF'S DEPARTMENT

Community Safety Program — The City of Eagle Mountain is working with the Utah County Sheriff's Office to get all neighborhoods participating in the Community Safety Program. This is a program that helps to locate missing children, teach about preparing for emergencies, being first responders, notifying and helping during disasters, working with our Sheriff and Fire Departments, and watching out for our neighbors. Many of our neighborhoods still have no representatives. If you would like to get involved, contact Alicia at 789-6712.

Semi Parking — Semi trailers are not allowed to be parked in non-designated areas for more than two hours.

Old Medications — Do you have old prescription medications hanging around that you don't know what to do with? Flushing them is no longer the preferred way to dispose of medications. Bring them to the Public Safety building during city business hours or call 789-6701, we have a drop box here and they will be disposed of safely.

Contact Info — We often get questions about what number you should call for what circumstance. For a life threatening emergency or crime in progress, call 911. If it is not life threatening but you need to report something or talk to a deputy or Fire/EMS, call dispatch at 851-4100. If you need fingerprints, Community Safety Info., a police report, or to schedule a tour, please call 789-6701 during city business hours. If you see something suspicious, call non-emergency dispatch. Many crimes could be prevented or solved by people paying attention and reporting their suspicions.
