

## FROM THE MAYOR'S DESK

*I LOVE THIS TIME OF YEAR. THE KIDS ARE GETTING OUT OF SCHOOL, AND WE ARE COMING TOGETHER AS A CITY TO CELEBRATE PONY EXPRESS DAYS. WE LIVE IN SUCH A GREAT COMMUNITY. THIS SEASON IS ESPECIALLY BEAUTIFUL TO SEE ALL FLOWERS AND GREEN GRASS, THE MOUNTAINS, THE LAKE AND THE VALLEY.*

I have read through the Pony Express Days survey results. First, let me thank you all for taking the time to respond to our survey. There were almost 800 participants. We are always striving to make things better. Your feedback is so important in helping us to determine what things are valuable to you. Following this year's festival we will be taking the comments into consideration as we make plans for next year.

I was excited to see so many positive comments in the survey. I have always felt that Pony Express Days is an opportunity to get together as a community. We see friends that we have not seen in a long time. We bring our family out to participate with us. We learn that our neighbors have started a new business, or have a talent that we have not seen or heard before. It was nice to see that so many of you feel the same way. I enjoy knowing that so many of us are proud of the community we live in and want to share it with others. Thank you for all that you do to volunteer or just celebrate with us. I look forward to seeing you out and about this summer.

I'd like to provide an update on a few projects that are going on in the city. Frontier Middle School is on schedule to open this fall. As a City, we required some additional turn lanes to be placed on Pony Express Pkwy to access the school. We will see that project this summer. Also, as Ridley's Market is being constructed we will see some additional lanes there.

The UFA of Eagle Mountain debuted the new ladder truck in the city at the May 21 City Council meeting.

The SilverLake subdivision is expanding and the city required turning lanes on Pony Express for that as well. We look forward to a busy summer, with continued growth.

Finally, there is so much service done in our community, we've started a Good Citizen of the Month recognition section in The Eagle's View (see pg. 6). If you know of someone doing good deeds that improve our city or help community members, please nominate them for Good Citizen of the Month by sending an email to Linda Peterson at [lpeterson@emcity.org](mailto:lpeterson@emcity.org) or calling 801-358-1175.

MAYOR HEATHER JACKSON

## Foster families needed in EM

Redwood Therapy and Youth Services of Eagle Mountain is looking for foster families to help meet the demand for placement of foster children in our area.

“We see this as a benefit to the community, as we participate in rehabilitating these children in state custody and reunification with their biological families,” says Adney Reid, LCSW and Director of Redwood Therapy and Youth Services. “We also see this as a benefit for the families themselves because it is a great act of compassionate service, and it is also a way to subsidize their income while doing so.”

Although they do not seek out families that are primarily interested in the financial aspect, Reid says they have learned that many families are unaware of the tax-free compensation they would receive and often times think it would be a financial burden to take on this responsibility. He says they offer an excellent team to assist the families so they never feel alone in the process and provide training beforehand as well.

Reid says they are turning down placements several times a week because they don't have enough homes. Many caseworkers ask specifically for homes in Eagle Mountain. There are families currently serving as foster families who would be available to answer questions or give their thoughts on being foster parents through the agency.

## NEWS BRIEFS

Spring into action with volunteer service!

Volunteer today with Mountainland Aging and Family Services Department!

Volunteer Ombudsman: Is dignity important to you? It is to the elderly, also! The ombudsman program is a voice for the elderly in nursing homes and assisted living facilities. Ombudsman volunteer staff do a variety of things to help assure the residents in long-term care facilities receive the quality of care and quality of life which protects their dignity and well-being. Days and hours are extremely flexible. For more information, call 801-229-3807 or email Nancy Madsen at [nmadsen@mountainland.org](mailto:nmadsen@mountainland.org).

Be a Friendly Visitor Volunteer and provide a break to family caregivers. By providing a few hours of companionship each month to an elder, you can preserve the well-being and quality of life for both the caregiver and the elder they are caring for. For more information, call 801-229-3818 or email [cwheatley@mountainland.org](mailto:cwheatley@mountainland.org)

Make a difference one hour once a week! Meals-on-Wheels need volunteers to deliver meals to homebound seniors in our community. For more information, visit [www.mountainland.org/volunteer](http://www.mountainland.org/volunteer) or call 801-229-3821.

2013 Elder Abuse Conference

## Westlake FFA raises funds at rodeo

By Cassie Burgess - Westlake FFA

The Westlake FFA chapter held a fundraiser in conjunction with the Pony Express Days Rodeo. Westlake FFA attended all three nights of rodeo and managed the concessions that sold over 500 hamburgers per night.

“Working the concessions is a fun opportunity to bond with others in our chapter. It gives you the opportunity to gain the skill of hard work, but you still have fun in the process” -Taylor Brady (Historian of Westlake FFA)

The money raised from the concessions will be used to help members and friends of the Westlake FFA to attend National Convention and other activities the Chapter will be holding this year. The Westlake FFA chapter would like to give a big thanks to our sponsors and those who participated in the activity.

## FIRE DEPARTMENT

The Unified Fire Authority offers CERT training classes; we require a minimum enrollment of 20 students one week prior to the start of the course, with a maximum of 40. Our class is a combination online pre-requisite plus five weeknights for three hours or two Saturdays. Both require participants to complete the online IS-317 introduction to CERT prior to the first day of class. This training will take anywhere from 4-8 hours to complete. Your progress will be remembered if using the same computer, so you can go at your own pace. There is a final exam at the end, print out your certificate of completion and bring it to the first week of class. You receive eight hours of credit from Homeland Security for this course, which eliminates a lot of the "Death by PowerPoint" time in class. We have found by utilizing the online course, students arrive better informed about what CERT training really entails. CERT training without the online portion takes eight weeknights or three Saturdays to complete.

Given the geographic size of the UFA, we try to offer 2-3 classes per year in each region we service. The Eagle Mountain City merger brings a unique situation, since Eagle Mountain is in essence its own region. We will try to offer 2-3 classes per year within the city boundaries, however residents are welcome to attend any of the classes we offer all over Salt Lake County. The weeknight classes are from 6:30-9:30 p.m. The Saturday class schedule is 8:00 a.m.-5:00 p.m. the first week and 8:00 a.m.-2:00 p.m. the second week. There is a onetime fee of \$30. Those previously certified who already have their own equipment and want to sit in on any classes as a refresher, there is no charge. Course equipment included: helmet, chin strap, student manual, pocket guide, practice bandaging kit, dust mask.

CERT syllabus is as follows:

Week 1: Units 1&2 Disaster Preparedness, Fire Suppression and Utility Control (live fire extinguishment)

Week 2: Units 3&4 Medical Operations I, II (hands-on triage, bandaging, splinting and patient assessment)

Week 3: Units 5&7 Light Search and Rescue, Disaster Psychology (cribbing exercise)

Week 4: Units 6&8 CERT Organization, Terrorism and CERT

Week 5: Unit 9 Course review, final exam and disaster simulation. Including debris, mannequins and live victims with moulage (fake realistic injuries). This drill combines CERT skills in a simulated environment for a great learning experience that is also very fun.

Please visit <http://www.unifiedfire.org/> to see upcoming CERT classes.

Please visit <http://www.citizencorps.gov/cert/IS317> to complete the online portion.

Those interested in CERT training are encouraged to complete the online training. The next CERT training class and location are not yet solidified at this time. That information will be published when available.

## Fireworks restrictions

Due to changes by the Utah State Legislature, Eagle Mountain is required to set firework restrictions. Unified Fire Authority is recommending following our restrictions from last year as well as meeting the requirements within the State adopted International Fire Code.

Illegal fireworks are never allowed. If found, illegal fireworks will be confiscated by the sheriff's or fire departments, with the potential of the users being cited. With high wildfire danger including dry and hot weather conditions, Eagle Mountain City is banning fireworks or ignition sources from the following subdivisions: Homes next to the bike park, Lake Mountain Road, Cedar Pass Ranch, North Ranch, Ruby Valley, Lone Tree, Kiowa Valley, Eagle Top, Point Lookout, Hidden Canyon, Fremont Springs, Meadow Ranch, Valley View, and White Hills. All other residents who live close to perimeter streets with fields or hills adjacent to your home, please use fireworks further inward as far from potential dangers as possible. We encourage residents who are planning to use fireworks in the City limits to use extreme caution, limit use to concrete or asphalt surface areas not close to brush, and have a water source close by. Extinguish and dispose of used fireworks properly. Please make all members of your family aware of these new restrictions.

The City has added these restrictions for the protection and safety of all residents and their property.
