## 2016 IS A MILESTONE YEAR FOR THE CITY AS WE CELEBRATE OUR 20TH ANNIVERSARY.

When we look back to the City's incorporation in 1996 it is incredible to think about how our community has grown from a population of 250 people to almost 30,000. That is an 11,900% growth rate! Of course, as the third largest city in Utah geographically, growth will continue to be a factor as we consider the future.

Throughout the year we have planned a campaign to spread the word about what a great community we have, along with special events to celebrate our growth. We are seeking historical photos, anecdotes, and testimonials from residents regarding what you love about living in Eagle Mountain. If you would like to contribute, please send an email to [news@emcity.org](mailto:news@emcity.org) with your submissions, including a statement of permission for the City's use.

The first special event will be a Community Clean-up Day on Saturday, April 30. Individuals, families, church groups, scouts, and other organizations are invited to participate. Several projects have been designated by the City for improvements. Volunteer groups will be divided into different areas. Check-in will be between 8:30 a.m. and 9:00 a.m. at Wride Memorial Park. We will have free lunch, t-shirts, and other giveaways for volunteers. Registration is available on the City website, calendar link. The City will also provide some dumpsters for residents' use that weekend. Contact Angela at [avalenzuela@emcity.org](mailto:avalenzuela@emcity.org) or 801-789-6603 with questions.

A propensity for service is a trademark of the Eagle Mountain Community. We hope this clean-up event

Deputy City Recorder Johnna Rose received her Certified Municipal Clerk designation, and was presented with the certificate by City Recorder Fionnuala Kofoed and other members of the Utah Municipal Clerks Association at the February 16 City Council meeting. (L-R: Kofoed, Rose, UMCA President Thieda Wellman, UMCA Vice-President Leigh Ann Warnock)

will commemorate the many acts of service that have benefitted our city and its residents over the years. We hope to see Eagle Mountain continue to grow in positive ways and preserving its beauty and natural environment is a high priority.

Eagle Mountain's residents are the City's greatest assets. We hope you will participate with us in celebrating our first 20 years. It will be exciting to see what the next 20 years brings for our community.
