

THE EAGLE MOUNTAIN COMMUNITY IS KNOWN FOR COMING TOGETHER TO HELP IN TIME OF NEED.

One way to be better prepared to help when a crisis occurs is to participate in the Community Emergency Response Team (CERT). Designed by the Federal Emergency Management Agency (FEMA), the CERT program “educates volunteers about disaster preparedness for the hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations.” [www.ready.gov]

In partnership with Unified Fire Authority (UFA), Eagle Mountain City is offering CERT training at City Hall over two Saturdays - on October 21 and 28 from 8 a.m. to 5 p.m. There is still space available to [register](#) for this training.

According to UFA, “When emergencies happen, CERT members can give critical support to first responders, and provide immediate assistance to victims. CERT members can also assist with non-emergency projects that help improve the safety of the community.”

For myself, with family living in Las Vegas and having grown up in the south, the horrific Vegas shooting and destructive hurricanes are unfortunate reminders of how critical early responders and volunteers are during these types of events.

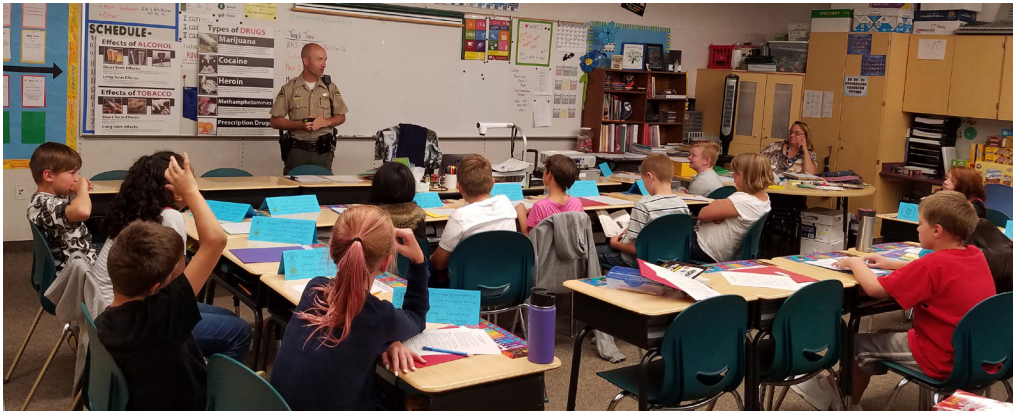

Members and leaders of Boy Scout Troop 1229 were “caught” doing good in the community, picking up trash. Thanks guys!

The City recognizes the value of having many members of the community who are CERT trained. For all who complete the training, Eagle Mountain City will reimburse the \$40 class/equipment fee. Bring your certificate of completion and ID to City Hall to receive the reimbursement. Please note, this offer is for Eagle Mountain residents only.

If you have recently moved to Eagle Mountain and are already CERT trained, please contact the CERT coordinator, Bill Lindsay at 925-726-9743 so he can add your contact information.

If you are not able to serve as part of CERT, I encourage you to look around and see if there is a need in the community you are able to fill.

Deputy Garrett Dutson teaches 6th graders at Eagle Valley Elementary about the harmful effects of drugs as part of the N.O.V.A program.

School Resource Officers Transition

After 20 years with the Utah County Sheriff's Office, Deputy John Mulder retired on August 1. Deputy Mulder spent 14 of his 20 years of service assigned to Eagle Mountain City. For many of those years he was a School Resource Officer.

Chief Deputy Eric McDowell describes Mulder as an "icon" in Eagle Mountain.

"There have been numerous occasions, in which I have witnessed students (past and present) joyfully approach and greet him," McDowell said. "I know John's dedication to the RadKids program has left a positive impact with the thousands of students he taught during his tenure."

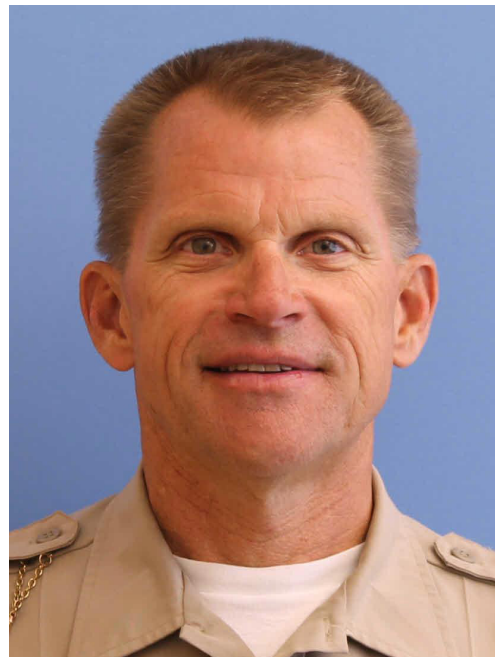

Following Deputy Mulder's retirement, Deputy Garrett Dutson was assigned to fill the School Resource Officer vacancy. Dutson is teaching the N.O.V.A. Principles program to 6th graders.

The N.O.V.A. Principles program curriculum includes "lessons that help youth and parents deal with drugs, gangs, accountability, making good choices, anger management, internet safety, self esteem, bullying, media issues, and so much more."

McDowell says Dutson is "fully invested" in his new assignment at the elementary schools.

"I love to show them that making good choices will open windows of opportunity...helping them to be successful and achieve their goals and dreams in life," Dutson said.

Deputy Brent Butters is also assigned as a school resource officer and works mainly with Frontier Middle School and Rockwell Charter High School, and assists with radKIDS simulations.

Youth Council Ready to Serve for '17-'18 School Year

New Youth Council Officers for the 2017-2018 school year were sworn-in at the September 19 City Council meeting. Hannah Clark is the Youth Mayor, with Carter Morrison, Davis Butcher, Jordan Noyes, and Michaela Watters serving as Youth Council Members.

The Youth Council provides an opportunity for the youth in our community to learn about and participate in local government. The Youth Council organizes and takes part in service projects and community events.

Students in grades 8-12 who reside or attend school in Eagle Mountain, Cedar Fort or Fairfield are eligible to participate in the Youth Council. Students must be in 9th grade to run for a position and vote.

Meetings:

Youth Council meetings are generally held the second and fourth Wednesday of each month at 5:30 p.m. in the City Council Chambers at City Hall. Please check the City website [events calendar](#) to confirm meeting information.

The Youth Council will have a booth at the Trick-or-Treat Village event on Saturday, October 28 from 10 a.m. to 1 p.m. at Nolen Park. Stop by and say hello, and if you have children who are in grades 8-12, get more information about participating in Youth Council.

For more information, and to pre-register, please visit the [Utah County Health Department](#) website.

Bag the Leaf Collection Program Oct. 17- Nov. 24

Eagle Mountain city is again offering our Bag the Leaf program for fall. Residents are encouraged to clear leaves and other debris from the tops of catch basins abutting their property during the fall leaf collection period to help prevent localized flooding conditions during the fall and winter months.

The success of the City's leaf bag collection program depends on the cooperation of our residents. Without your contributions, the City would not be able to provide an efficient and cost effective leaf collection program. This is an opportunity for all of us to keep Eagle Mountain city clean, safe and beautiful.

Following are details about the program:

- The City will provide free leaf bags to residents.
- Pick up bags at City Hall.
- Bags are available from October 17 through November 24 while supplies last.
- Curbside pick-up weekdays. You may email Larry at ldiamond@emcity.org to notify us when you have bags ready for pick up.

Program guidelines:

- City-provided bags as well as other small to large plastic garbage bags may be used.
- Bags shall not exceed 40 pounds and must contain leaves only. Heavier bags will not be collected.
- The City will not collect any bag(s) that contains household waste, green waste, branches, limbs, rocks, animal waste, dirt, sod or other restricted bulky waste. If a bag contains any unacceptable materials, crews will place a notice on your bag(s) and leave them for you to remove.
- Place your bag(s) curbside. Bags should not be placed in the street, gutter, ditches, or any drainage way.
- Leaves should not be raked into the street. Homeowners/renters will be subject to fines for placing debris in the roadways.

If you have questions, please contact Larry Diamond with the Storm Drain Department at ldiamond@emcity.org.

City Code

The City Code for General Fencing Provisions (17.60.120) was recently changed. Key changes include:

- Fencing along sidewalks no longer needs to be set-back 3' from property lines
- The city has adopted new fencing standards for property lines along Arterial and Collector roads

For a handy reference guide about fencing requirements, along with other common questions related to community standards, please visit www.emcity.org/standards.

Community Development staff is happy to answer any questions you may have about fencing at (801)789-6617 or Tjensen@emcity.org

Burial spaces at the Pony Express Memorial Cemetery are available for purchase from the City Recorder's office. Fees are \$550 for residents and \$1,000 for non-residents. For an outline of all fees, rules & regulations, and contact information, please visit www.emcity.org/cemetery.
