

IT HAS BEEN A PLEASURE SERVING AS MAYOR THESE PAST FEW MONTHS.

When I submitted my name for consideration to be appointed mayor, I knew that to be successful I would need to rely on the staff. My expectations have been exceeded. I've been very pleased but not surprised by how professional our entire City staff has been. I've always known it, but it was good to have a reminder, and I'm very appreciative of the assistance I have received.

I have also appreciated the city council and their level of ownership and commitment to the trust that we give to them as residents.

Moving forward I'm confident in the continuity of government. Seeing Mayor-elect Westmoreland's involvement, I know he is going to do a fantastic job in this role. Having served with Councilmember-elect Burnham previously on the council and knowing her ability, skills, and insights, I think she will be extremely beneficial to the council, as well as what I have seen from Councilmember-elect Clark.

I've had a great experience and look forward to continuing to be involved in the community.

Eagle Mountain City has seen tremendous growth this year. 881 residential building permits have been issued through the end of November. A new traffic signal was recently installed at Pony Express Pkwy and Porter's Crossing. Widening of Pony Express Pkwy from Porter's

We'd like to thank Chris Moore and his 8th grade classmates for volunteering to clean up Pony Express Pkwy between Hidden Hollow Elementary and the Lone Tree subdivision.

Crossing to Redwood Road will commence in the spring. Additional widening projects are planned on Pony Express Pkwy heading south, and City Center is seeing additional commercial developments.

With the second phase of Cory B. Wride Memorial Park being finished in summer (see pgs. 4-5), the new high school construction ongoing, and continued residential development, the Mid-Valley area of the city will be getting quite filled in and will hopefully provide more connectivity for all areas of our community in 2018.

There are definitely exciting times ahead. I wish all of you the happiest of holiday seasons and thank you again for this opportunity to serve.

MAYOR JOHN PAINTER

Office: 801-756-5231
Compost Foreman: 801-404-6513

State Route 73 Environmental Study

To address the growth and travel demands of Eagle Mountain and the surrounding areas, the Utah Department of Transportation (UDOT) is conducting the S.R. 73 Environmental Study along Cory B. Wride Memorial Highway (S.R. 73) from Pioneer Crossing to Eagle Mountain Blvd. The State Environmental Study (SES) will evaluate the impacts of and determine a preferred alignment for a future freeway with frontage roads system that will reduce projected traffic congestion and travel delay.

For information, please visit www.udot.utah.gov/sr73. To submit a formal comment, please email sr73@utah.gov or use the comment form on the website.

City Offices and Library Closures

The City offices and Library will be closed December 21-25 for the Christmas holiday and January 1 for the New Year's holiday.

City Council & Planning Commission Meeting Schedules

The meeting schedules for city council and planning commission for 2018 are available on the City website.

Our online bill pay system is offered free of charge. Sign up at www.xpressbillpay.com.

As an incentive for paying online, the utility billing office offers periodic drawings to get 50% discounted from your bill for one month (discount will be applied to current bill). There are two winners per drawing. Each winner may only win once per calendar year. You must be registered for online bill pay to be eligible.

City Code

Temporary and Yard Sale Signs

Temporary Signs and Yard Sale Signs require approval from Neighborhood Improvement.

[Register Temporary Signs](#)
[Register Yard Sale Signs](#)

17.80.090 Temporary (right-of-way) special event signage

For temporary signage to be placed in city-owned right-of-way advertising special events occurring within the city, the following standards shall be followed:

- A. Sign Copy. The maximum sign copy shall be 32 square feet.
- B. Location. A map must be submitted for approval showing the intended locations of the signs. No off-premises signs are allowed on private property. Temporary right-of-way signs may not be located in the park strip (between the street and the sidewalk), but may be located between the sidewalk and a property line or fence. Signs may not be placed on utility poles, light poles, fences, or trees.
- C. Duration. The maximum number of continuous days in which the signs can be displayed shall be 10 consecutive days. An extension may be possible with the original application.
- D. Takedown. The applicant is solely responsible to remove the signs by the appropriate date.
- E. Definition of Special Events. Special events include business grand openings, fundraiser events, private concerts, parade of homes, and other events as determined by the planning director. This does not include small, private events like yard sales, garage sales, moving sales or lost pet signs, nor does it include business sales.

17.80.100 Yard sale temporary signage

Small private events such as yard sales, garage sales, and moving sales must comply with the following signage standards:

- A. Sign Copy. Signs may be no larger than four square feet in size.
- B. Location. Signs must be located on private property, unless the sale is registered with the city prior to the date of sale for temporary right-of-way signage. On major streets (arterial and major collectors) signs may not be located in the park strip (between the street and the sidewalk/trail), but may be located between the sidewalk and a property line or fence. Signs may not be placed on utility poles, light poles, fences, or trees. On local roads, signs are allowed in the park strip.
- C. Duration. Temporary signs in the right-of-way that serve as directional signs to the event may be posted on the day of the sale only, and must be removed by the end of the day. It is the owner's responsibility to remove all signage during the appropriate time period. No sale or signage will be permitted for more than two consecutive days.
- D. Approval Process. The yard/garage sale must be registered with the city for any signage to be allowed in the public right-of-way. Any sign in the public right-of-way that is not registered with the city may be immediately removed.

Need volunteer hours? Neighborhood Improvement can provide clean-up project hours. City will provide garbage bags and dispose of garbage. Contact 801-789-6690 or neighborhoodimprovement@emcity.org to schedule.

Wride Memorial Park Construction Progresses

Construction at Cory B. Wride Memorial Park continues, with good progress being made. The park is located at Pony Express Pkwy and Mid Valley Rd.

Phase 1A, the baseball complex, is nearly complete, with some landscaping and other finish work scheduled for spring 2018. Phase 1B construction began in August and is planned to be completed by summer 2018. Phase 1B is adjacent to the baseball complex and will include playground spaces, a large splash pad, full-court basketball (four hoops), four pickleball courts, four tennis courts, and a pavilion with a large festival field.
