To Whom It May Concern:

There are four additional spreadsheets attached to this Municipal Campaign Financial Statement. As you will see, they are the campaign checking account Credits, Debits, and Running Balance, along with the Unreimbursed expenses made with my own personal funds. In order to make sure there were always enough funds in the checking account, I decided to pay for most of the expenses with my own personal funds. **I will be reimbursing myself at the end of the campaign with any unused funds in the checking account up to the amount I have personally spent.** Please make sure this is clearly understood by any and all who audit my campaign money trail. Please let me know if there are any other questions or concerns. I can be reached any time at 801-815-1036.

Thank you,

Nathan Ochsenhirt
