RE: Donation from EM Development LLC

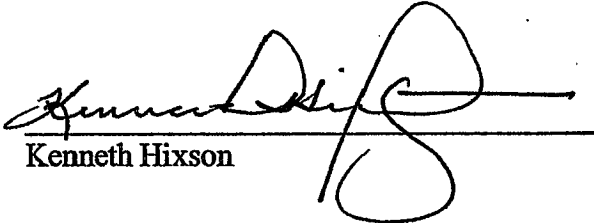

Dear Sirs:

I appreciate your interest in the political process in the City of Eagle Mountain. As a candidate that has publicly announced that I will not accept contributions from entities that have or are expected to have business before the City I must respectfully decline your donation. Please be assured that the reason for my decision to not accept these donations reflects in any way on the contributions you have made to our wonderful city.

My reason is simply a desire to avoid any possible perceptions of interests that adversely impact my desire and ability to represent each citizen of Eagle Mountain and their collective best interests.

I am dedicated to working with all parties in **Keeping the Promise** and achieving the potential this great city has to offer.

Respectfully yours,
