Mike,

The meeting you're referencing was not entirely about sewer. Mostly road planning.

Attendees:

Wyatt Cook – Cedar (Mayor)

Tom Westmoreland - EM (Mayor)

Brad Gurney – Fairfield (Mayor)

Steve Mumford – EM Assistant City Administrator

Chris Trusty – EM City Engineer

Paul Jerome – EM City Administrator

Statement:

“At this time, Eagle Mountain does not see any way to provide sewer service to Cedar Fort. Eagle Mountain is still open to conversations on this matter and will continue looking for a path forward.”

The Mayor of Cedar Fort mentioned a meeting that he had with Mayor Westmoreland and Mayor Gurney of Fairfield along with the City Administration. Can I get a list of those who were present at the meeting? Would the city mind

giving me a statement on what was discussed by the three Mayors? Specifically, any discussion on any type of sewer or water agreement. Cedar Fort is having water problems and is currently working on getting a bid to install a new water tank, they have one that has completely failed, and have done a moratorium on new water hookups. The meeting was held on May 9th, according to the minutes for their Town Council on April 28th. There was also mention of a follow up meeting.
